

Monte Sereno City Council Goals For 2016

Adopted 2/2/16

- Continue to make progress on the civic facility master plan and determine planning process and timing.
- Develop a wellness program for the community.
- Consider methods to increase the City's Unrestricted Reserve.
- Evaluate further improvements in pedestrian and bicycle safety.
- Evaluate ways to quickly, but informally, poll a large number of constituents to assist in (but not guide) council decision making.
- Form a joint City Council, Site and Architectural Committee and staff Ad Hoc Committee to review and provide recommendations on the Site Development Permit process and regulations.
- Explore methods to improve government transparency.
- Bettering communication infrastructure within community.
